NEW!!

Walking Wednesdays at 2pm

Everyone can relate to the struggle of finding time to get out and exercise. It can be especially intimidating to start the process on your own. If you are interested in finding a group of people that you can relate too, where you can go at your own pace, and a supportive environment where you can start to gain your confidence in your own abilities? Join us each Wednesday at the London Veteran's park shelter to stretch your legs and get moving!
